"Bounce & Perspiration"

Release Your Inner Self . . .

New York, NY – November 27, 2006 - On Friday, December 8th, at 10:00 p.m., stimulate your body and satisfy your dance tooth with beats of 4-2-1 at the Mocca Lounge. "4-2-1 is a collaboration of 2 mixologists on 4 turntables recapturing the love of DANCE-

MUSIC-LIFE, where people let go and let the thump of house music possess their body and soul and let loose their inner sexiness." – *Mr. Bless*

Bounce & Perspiration is an event that involves Music-Dance-Love-Life and the theme creates a Health and Antioxidant balance. Nutrisoda and Leaf & Sea tea are one of the many sponsors.

The event highlights 2 DJs, Mr. Bless and Eric Prince, trying to scratch an itch of 4 turntables instead of the ordinary 2. Bless & Prince, the inspiration to the **"Bounce and Perspiration"** party, are spinning a new string of notes in attempt to remove the letters "D" and "J" and become branded as "Audio Mixologists." Their music is a spectacle of talented artists, turntables, and a mix of House, R&B, Afro centric and World beats [www.ceedoggpresents.com].

Joining the Bounce & Perspiration team are Greer Barnes [Chappelle Show, David Letterman], Angelo Lozada [Apollo, Standup NY], and Playstation 2's Dance Dance Revolution game set up on screens at the Mocca Lounge.
