## **City Model & Talent Presents a “LIQUID” Evening...Cocktails & Beats, Poolside Runway, and Flowing Fashion Models**

*New York, NY – January 29, 2007*

On Thursday, February 8th, at 10:00 p.m., “LIQUIFY” yourself as you sway into Midtown Manhattan’s HOTEL QT and stream into the stadium pool seating with a LIQUID cocktail in the palm of your hand. During Fashion Week Spring 2007, Bryant Park tents are filled with spectators, well-known designers, and Fashionistas alike. However, City Model & Talent dares to be different to feature an evening that allows their models and talent to flow like water through the not-so typical runway.

City & Model Talent (CMT) is a scouting and development organization dedicated to finding the newest models and talent, and guiding them into the Fashion & Entertainment industry. CMT’s models have been recognized on MTV, Sex and the City, Lindsay Lohan’s “Confessions of a Broken Heart” music video, and Maxim Magazine to name a few ([www.citymodels.us](http://www.citymodels.us)).

February 8<sup>th</sup> will be filled with LIQUID and style. Guests will enjoy complimentary cocktails and a Fashion Show involving singers from the Muckrakers, 4-2-1 DJs, and abundance of Designers including Jennifer Taves-FIT, 503lab, and KahriAnne Kerr. Muckrakers will be opening and closing the Sleek Fashion Show with beats that derive from old school hip-hop that can flow like liquid to any generation. In the backdrop, Bless & Eric Prince keep the edge smooth when audiences relish in beautiful people, surroundings, beverages sponsored by FUZE, and of course, the model featuring Michelle Dawson’s Henna Body Art.

The event is open to the public. RSVP is required and Space is Limited. For more information, please contact Saloni Dhir at 646.243.2712, or send an email to [info@salonique.biz](mailto:info@salonique.biz).

SALONIQUE is a New York based company specializing in shows and events that embrace upcoming artists, products, and ideas that enable organizations and individuals to express their appreciation in uniquely entertaining ways.
